## The legal anatomy of participatory advice

Aniello dos Reis Parziale Braz Cubas University (Embu das Artes, São Paulo, Brazil)  <https://orcid.org/0000-0001-8615-3320>

DOI: <https://doi.org/10.48143/RDAI.14.arp>

Keywords: Participatory democracy, Popular participation, Participatory Councils, Legal regime

### Summary

The objective of this article is to offer a study on the legal regime of participatory councils, where the species of existing councils, their attributions, the relationship with the creative Public Power, the composition of these collegiates and other particularities will be presented in order to allow us to understand the functioning of these instances of popular participation in the midst of participatory democracy.
